### **CLIMATE INVESTMENT FUNDS – RENEWABLE ENERGY INTEGRATION (CIF - REI) PROGRAM INVESTMENT PLAN**

Kenya was among 5 other countries in the world participating in the Climate Investments Fund - Renewable Energy Integration (CIF-REI) Program. The Countries were invited to participate in developing an investment plan commensurate to an indicative allocation of up to USD 70 million of resources based on the country's needs assessment.

A CIF National Committee from the State Department for Energy and its sector agencies was constituted in January 2023 and has prepared a draft Investment Plan. A stakeholders' consultative workshop was held on 3<sup>rd</sup> October 2023 to receive comments from various stakeholders.

As part of the preparation process, the Investment Plan has been made available for public information and comment on government websites for the next two weeks prior to its finalization. The document will stay on the websites from 11<sup>th</sup> to 25<sup>th</sup> October 2023.

The Public is therefore invited to review the aforementioned document and provide feedback that will be considered for incorporation. Feedback should be provided in the following format provided in the download section.
